# Profile

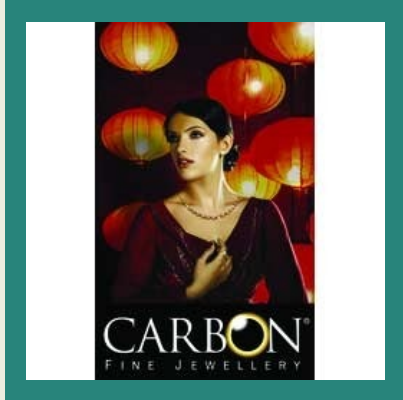

**Aum Polyprints Pvt. Ltd** is a well known manufacturer, trader and supplier firm that is established in the year **2010** and making continuous efforts in order to make flawless range of Carry Bags in different designs & patterns. Several more products are there in our product range that mainly comprises Plastic Carry Bags, Printed Carry Bags and D Cut Bags. All these products are quite popular in the market and appreciated for their wear & tear resistance, textured finish and color combination. With a client-centric approach we are moving ahead in the market and cater to our clients in the most précised manner. Apart this, we are continually working for the improvement of our product range and always try to do something new & innovative.

We are the owner of a modern infrastructural base that helps us to develop a mass array of products in committed time frame. The success of our firm depends on our customer's; therefore their feedback is important to us, as it gives a chance to improve our entire product range. Working with a rigorous quality approach, our product range is completely free from defects & in complete sync to the stated market standards. Also, our R&D team continually engaged in developing new products that is better to use & environment-friendly in nature. Moreover, the motive of our firm is to provide our clients with the finest range of products at most competitive price range.

**Mr. Punarve Hitesh Parikh** (Director) is a professional entrepreneur that believes in ethical business practices. His sharp business acumen & expertise plays a significant role in our firm's success. Under his guidance we are able to provide most versatile collection of carry bags.
